

QRISHUN FEB T. AMIK

GRAPHIC DESIGNER | PRODUCT, PACKAGING & ECOMMERCE

Zamboanga City, Philippines | +63 936 256 0869 | qrishunamik55@gmail.com

Portfolio: q-designs-portfolio.vercel.app | LinkedIn

Graphic designer with agency and print-production experience across packaging, product visuals and marketing content for consumer brands. Combines Photoshop and Illustrator with AI-assisted image generation to develop product mockups and lifestyle concepts. Owns design work from brief through revisions and handoff, and regularly reviews other designers' work with clear, actionable feedback.

CORE SKILLS

Packaging & label design • Product mockups • AI product & lifestyle imagery • Typography & text-in-image composition • Photo compositing & retouching • Brand consistency • Design reviews • Print & digital file preparation

PROFESSIONAL EXPERIENCE

Brand Designer

2026 – Present

Digital Brand Builders

- Develop packaging, product visuals and marketing graphics for client brands, translating briefs into consistent concepts across print and digital formats.
- Create AI-assisted product mockups, lifestyle concepts and backgrounds; refine imagery through compositing, retouching and attention to lighting, perspective and brand details.
- Build clear visual hierarchy through typography, color and composition across packaging, social graphics and text-in-image layouts.
- Review other designers' work and provide actionable feedback to improve visual quality and brand consistency.
- Refine concepts through client feedback and prepare accurate, organized files for review, production and digital handoff.

ITRC Staff

Aug 2024 – Present

Pilar College of Zamboanga City, Inc.

- Design social media layouts, presentations and institutional content with clear messaging and consistent visual standards.
- Edit videos and digital materials for online use while supporting day-to-day computer maintenance and technical troubleshooting.

Layout Artist (Part-time)

Jul 2023 – Sep 2023

PrintHub Printing Service

- Translate walk-in client requirements into event banners, tarpaulins, documents and other print layouts under short turnaround times.
- Photograph clients, edit and size images, and prepare artwork for accurate printing across multiple formats.

SELECTED PRODUCT DESIGN WORK

Cosmio Beauty — Hair-serum bottle-label and gift-box concepts, product mockups and packaging graphics with a consistent premium visual direction.

Avali — Botanical-patch pouch and packaging concepts, AI-assisted photography direction and coordinated brand-toolkit visuals.

TOOLS & EDUCATION

Tools: Adobe Photoshop, Adobe Illustrator, Canva, Wondershare Filmora, ChatGPT / AI image-generation workflows.

BS in Information Technology | Western Mindanao State University | 2020–2024
